

# Welcome to **NGfL** Cymru

[www.ngfl-cymru.org.uk](http://www.ngfl-cymru.org.uk)

Over the past two years NGfL Cymru has worked in collaboration with many Foundation Phase Advisers and teachers throughout Wales, and this has culminated in the creation of a bank of excellent new resources.

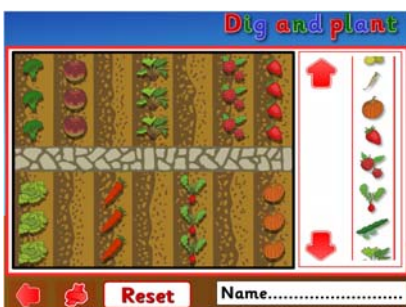

These resources address the ethos of the Foundation phase through experiential learning and tasks that complement supported, continuous or enhanced provision.

If you would like a demonstration of these new resources then please contact us.

Your local Field Development Officer is [Jane Altham-Watkins](mailto:jane.altham-watkins@ngfl-cymru.org.uk). If you would like her to visit please email [jane.altham-watkins@ngfl-cymru.org.uk](mailto:jane.altham-watkins@ngfl-cymru.org.uk)

Have you seen?

Our Green World - Thematic approach

This unit delivers activities that cover the seven areas of learning through the theme of Our Green World.

Introducing numbers

This resource introduces numbers from 1 - 10. Each number has a colourful character and a series of interactive activities that can be completed.

Maths - Problem solving

A suite of mathematical problems based on a puppy. The twelve activities cover every strand of mathematics and the journal builds to provide a transition project between FP and KS2.

St David

Interactive resources for pupils with Additional Learning Needs (ALN) to develop reading, speaking, listening and writing skills, (language and literacy) via activities based on historical events centering around the story of Saint David.

Coming Soon - Creative Development

A range of Art resources based on four well known Welsh artists' work. The activities will include video, interactive elements and follow-on class work. The first unit based on Cefyn Burgess' work will be available soon.
